**Welcome:** To Ava Rose Quinn, daughter of Gavin and Lucy, who was baptised in St Brigid’s Church, Drumkeeran on Sat 14 April.

**Pro Life:** At week 9 the baby’s eyes are formed. Isn’t it interesting that finger printing and eye scanning are used as a high level security measure? I open my iPhone with my “unique” thumb print. My eyes have been scanned at numerous airports to establish my identity. Both of these were formed within 9 weeks of conception. How could we have the right to destroy this unique human being at 12 weeks?

**Love Where You Live:** Awards are open to community groups, schools and businesses. Simple entry forms with cash prizes; it would be a pity to miss out if you are already putting in the work in your community. Ring Community Development Section on 071 9620005 or email [community@leirimcoco.ie](mailto:community@leirimcoco.ie). Closing date next Fri 27 Apr.

If you haven’t worked with the society, but would like to help out, please give your name to Angela. A big thank you to the members who worked for many years and have now retired, your help was very much appreciated.
