**Thought for the Day:** One of the questions the disciples had on that first Easter morning was 'if Jesus is not in the tomb, where is He now?' In the light of His appearances to them, they came to understand that He was to be found among themselves, the community of believers. The risen Lord journeys with us, and He wants to journey through us as well; He wants to take flesh in our lives so that we become living signs of His Easter presence. He wants to live in us that His life-giving love becomes a reality in our world today. We can be grateful this Easter for the ways that the Lord's life-giving love has taken flesh in the lives of so many people.
