Thought for the Day:

There is a song our Parish Choir sometimes sings, 'You are the centre, O Lord, of my life'. The Church is not the centre of our lives; Jesus is the centre of our lives, and the Church exists to create a space for Jesus to be the centre of our lives. He is present to us in and through the community of believers, in and through His word, the scriptures of the Church, in and through the Sacraments of the Church, especially the Eucharist and Reconciliation. It is the Spirit at work in the Church, and beyond the Church who brings Jesus to us so that He can become the centre of our lives.
