Thought for the Day: It is early June and the Leaving Certificate examinations are about to begin. Students agonise about what will come up in the opening English paper. "I hope Heaney comes up. I have spent a lot of time on him..." Almost sixty years ago I probably agonised in a similar way (to a far less pressurised extent), but for what it's worth here's my 'Brief Open Letter to This Year's Class.'

Dear Students,

Worry not! In ten, twenty, thirty years' time, what will it matter what 'came up' this year? What will come up in that time is life - with all its joys, sorrows, vagaries, challenges, disappointments, demands. I hope the last five years will have equipped you well for that. For now, just do your best, Good Luck!

Stolen Moments, John Quinn.

Seeing your Life through the Lens of the Gospel:

John 3:16-18

1. The reading evokes contrasting images of God, a God who judges and a God who saves. We might reflect on how our image of God has changed with the years. What has helped you to believe in a God whose will is that you should have eternal life?
2. God sent His Son into the world for this purpose, that we might have eternal life. How has the story of Jesus helped you to have that kind of faith?
3. The eternal life promised, is life that begins now, and survives all forms of death, failure, defeat and humiliation. What has helped you to have that sense of being alive, even in painful and disappointing circumstances?
