**Remembrance Prayer:** God, thank you for the people in our lives who we are remembering in a special way during the month of November. We thank you for being a compassionate God who walks with us in our dark moments of grief and loneliness. We are thankful for all who continue to love and support us through our grief. Lord, continue to be a light for us, giving us hope, directions and courage. May we now live our lives treasuring the memories of those special people we have known and loved and help us to bring light and hope to others. We make this prayer through Christ our lord, Amen.

### Thought For The Day:

**Mark 12:38-44**

It has been traditional in Ireland to regard the dead as very close to us who are living. Peig Sayers, a traditional storyteller who lived on the Great Blasket Island off the Kerry coast was once asked where heaven was. In reply she said it was just a few inches above the head of the tallest man on the island. Heaven and earth, like life and death were one in the traditional way of thinking.

The great medieval mystic known as Meister Eckhart when asked where the soul goes after death said, "No place. Where else would the soul be going, where else in the eternal world? It can be nowhere other than here."
