**Remembrance Prayer:** God, thank you for the people in our lives who we are remembering in a special way during the month of November. We thank you for being a compassionate God who walks with us in our dark moments of grief and loneliness. We are thankful for all who continue to love and support us through our grief.

Lord, continue to be a light for us, giving us hope, directions and courage. May we now live our lives treasuring the memories of those special people we have known and loved and help us to bring light and hope to others. We make this prayer through Christ our lord, Amen.

### Thought For The Day:

Be thankful you don't have everything you desire. If you did what would there be to look forward to? Be thankful when you don't know something for it gives you the opportunity to learn.

Be thankful for the difficult times. During those times you grow.

Be thankful for your limitations because they give you opportunities for improvement.

Be thankful for your mistakes, they will teach you valuable lessons.

Be thankful when you're tired and weary because it means you've made a difference.

A life of rich fulfilment comes to those who are also thankful for the setbacks.

Find a way to be thankful for your troubles and they can become your blessings.
