Drumkeerin school reunion & gathering/festival 2013.

Dear _____,

I hope this letter finds you well, I am writing to you on behalf of our community festival to invite you as a former pupil to a school reunion event for all pupils who left the local schools of Drumkeerin in the 70's. We are holding this event as part of the national gathering tourism event which is being run during 2013 and as part of our annual festival which runs from the 20th to the 25th of August. The school reunion will take place on the 20th of August with a mass early that evening for all deceased members of each class and later with a buffet and dance in the Marquee. There will be various photos and memories from each of the schools at the event which will bring you back down a fond memory lane. We are contacting all class members who left each school individually and we hope you can make the school reunion event and some of the other events which we are hosting during the festival week as noted below. As we need to prepare for the night and for the number of people attending please ensure that you write back to our secretary Emma Mc Kenna Sheena, Drumkeerin, Co Leitrim confirming you can make the night or e mail us at drumkeerinfestival@hotmail.com. If you wish to book some accommodation in the area during the week please feel free to contact the committee and we will arrange same. Some other events we are hosting during the festival include;

Jimmy Buckley and his band in the marquee.

Lisa Mc Hugh and her band in the marquee.

Family sports day.

Fashion show.

Monster bingo.

Street events

Foam party.

And many more fun packed events.

We hope to see you in August where there will be a warm welcome for you in Drumkeerin as always.

Signed.
Drumkeerin Community Family Festival
