Face Masks: Press Release - Feast of Saint John Eudes, Wednesday 19 August 2020 Attn: Newsdesks, Photodesks and Religious Affairs Correspondents.

"Church leaders urge worshippers to wear face coverings to reduce the spread of coronavirus".

Please see the noticeboard or website for the full article.

While parishioners are **inside** the Church they are **strongly advised** to wear a mask or face shield, if possible. This makes others feel safer. Young children (under 13's) don't have to wear a mask. Please keep your mask covering your nose and mouth while coming up for Communion, it should be dropped only briefly to allow for taking of the Sacrament. Thanks.

Request: PLEASE don't leave Mass leaflets and Newsletters on the seats as you leave the Church. Bring them back to the table where you collected them if you don't want to take them home, thanks.

Trócaire: During the "Season of Creation" each year, Christians around the world unite to renew our love for each other and the home we share. We cannot but think of the threats and challenges that exist now for all humanity, not least our brothers and sisters living in the communities where Trócaire works. People, who have done the least to cause climate change, are the ones to experience its harshest impacts, as drought and extreme weather disrupt their ability to grow food and tend their land. This year's theme for Season of Creation is "Cultivating Hope" as we focus on building a better future for all humanity and for our common home. Resources for parish groups who would like to take action locally and globally during the Season of Creation can be found at the following links; <https://www.trocaire.org/resources/parishes/laudato-si> and <https://www.catholicbishops.ie/2020/07/15/season-of-creation-2020/>.
